JOHN H. WYDE, PROPRIETOR.

WEDNESDAY, MAY 6, 1896.

Division of the Statutes.

The Legislature of this State passed a resolution authorizing the Governor and Council to prepare a new revision of the statutes in this State, and to appoint commissioners to prepare the same.

Of course, if the revision is to be put to rest, the Legislature must pass a resolution to that effect, and the Governor and Council must be authorized to prepare the same.

It is interesting to note that the Legislature has passed a resolution to that effect, and the Governor and Council have been authorized to prepare the same.

The Legislature has passed a resolution to that effect, and the Governor and Council have been authorized to prepare the same.
